IMRAN
MALIK

Full Stack Developer. Next-Js, ReactJs, NodeJs
Prisma, MySQL, PostGres, Tailwind, AWS

RESUME OBJECTIVES

I am writing to express my strong interest in the Next.js React.js Programmer position at your company, as advertised. With over 8 years of experience in web development and a deep proficiency in a wide range of technologies, including Next.js, React.js, Prisma, MySQL, PostgreSQL, MongoDB, Node.js, and Express.js, I am confident in my ability to contribute to your team's success.

Throughout my career, I have consistently delivered high-quality web applications, from concept to deployment. I have led development teams, ensuring that projects are completed on time and meet client requirements. My experience with front-end and back-end technologies allows me to create responsive and user-friendly interfaces while optimizing database performance and security.

I am passionate about staying updated with the latest industry trends and technologies, enabling me to provide innovative solutions and drive continuous improvement. Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experience align with your company's goals in more detail. Please feel free to contact me on the following numbers to schedule an interview.
